## 1 Brand Logos

This directory contains corporate brand logos used in documentation generation.

### 1.1 Files

- `cvdex-logo.png` - CVDex brand logo (placeholder)
- `ikusi-logo.png` - Ikusi brand logo (placeholder)

### 1.2 Usage

The documentation pipeline uses these logos based on the `USE_CVDEX_BRANDING` environment variable: - If `USE_CVDEX_BRANDING=true`, the CVDex logo is used - Otherwise, the Ikusi logo is used (default)

### 1.3 Requirements

- Logo format: PNG or SVG
- Recommended dimensions: 400x100px or similar aspect ratio
- Transparent background preferred
