1 PHASE5 Screenshots

Place the required screenshots here following the naming convention.

1.1 Required files

1. phase5_todos_above_fold.png - Executive KPI bar + Charts panel visible above the fold
2. phase5_budget_pill_en_meta.png - Budget Health pill showing “EN META” status (green)
3. phase5_budget_pill_en_riesgo.png - Budget Health pill showing “EN RIESGO” status (yellow)
4. phase5_budget_pill_sobre_presupuesto.png - Budget Health pill showing “SOBRE PRESUPUESTO” status (red)
5. phase5_collapsed_sections.png - All 4 collapsible sections in collapsed state
6. phase5_expanded_portfolio_summary.png - Example of an expanded collapsible section
7. phase5_full_page_scroll.png - Full TODOS layout from top to bottom
8. phase5_single_above_fold.png - Single project view showing baseline panel + KPI cards
9. phase5_single_full_layout.png - Full single-project layout
10. phase5_before_after_todos.png - Side-by-side comparison of before/after layouts

1.2 Guidelines

- **Resolution:** Use 1200x800 PNG format with high quality
- **Accessibility:** Ensure accessibility states are visible in the pill screenshots
- **Consistency:** Use the same project/data across screenshots for consistency
- **Clarity:** Ensure text is readable and UI elements are clearly visible
- **Context:** Include enough context to understand the feature being demonstrated
